Resolution	1920X1080	1536X864	1280X720	1920X1080	1600X900	1280X720	1920X1080	1536X864
Active Area (Mm)	2432x1368			3040x1710			3648x2050	
Unit Size (Mm)	2462x1483x45mm			3070x1825x45mm			3678x2165x45	
Avg. Power Consumption	950W			1500W			2100W	
Aspect Ratio	16:9							
Brightness	Adjustable 100~1000cd/m ²							
Viewing Angle	160°							
Lifetime	100000h							
Installation Method	Floor standing / Wall Mounting							
Input	HDMI / USB / RJ45							
Input Resolution	Max 1920X1080							
Power	100-240V/50~60Hz							
Working Condition	-10°C~45°C							
Additional Function	Wireless Transmission / Intelligent Control System Support Wireless Display to the Screen by PC, Laptop, Mobile, Switch the Program, and Content Management							
	Intelligent Touchscreen Support Multi-Touch, Dragging around the Screen, etc.							
	IPTV (Internet Protocol TV) Support IPTV, and Live TV							
	Immersive VR/AR, Virtual 3D Experience							
	Motion Sensing Interaction Motion and Gesture Sensing and Recognition							

HiPad series

Quick Self-Service Installation & Maintenance

- Equipped with Standing Bracket or Wall-mounted Bracket
- Quick Installation by Single Person, 100% Front Maintenance
- Just 45mm Thickness, the Thinnest Commercial LED Display

Ultra Long Lifespan, Excellent Color Performance

- Brightness Adjustable for High-Ambient Applications
- Self-illuminated, Excellent Color Performance
- Ultra Long Lifespan of 100,000 hours

Multi-Screen Interconnected, Central Control & Management

- An Integrated Solution for Presentations of High-End Chains
- Interface Highly Integrated, no Control PC / Video Processor
- Plug-and-play display, Compatible with Different Kinds of Audio and Video Input / Output Device

Diversified Interactions

- Perfect Combination with Emerging Technology
- Ultra Clear Visual Experience of Simulation & Reality
- Combination with Various Interactive Model
- Online Management, Centralized Control
- Cloud Server, Hierarchical Authority, Efficient Backstage Management

Support Mobile Terminal Control iOS / Android Compatible

- Switch the Program by Apps
- Upload / Delete the Program by Mobile Terminal
- Hierarchy Authority Management
- Display your Device to HIPAD Display
